

## P2TRE2

### Wireless Personal Monitor System with Mix Control

The P2TRE2 wireless personal monitor system with mix control consists of the P2T Wireless Transmitter, the P2R Hybrid Bodypack Receiver, and the E2 Dynamic Driver Earphones.

#### P2T Wireless TransMixer

The P2T TransMixer is breakthrough design for in-ear monitoring. It allows the user to connect two line-level or miclevel inputs directly into the transmitter. The two signals can then be mixed independently. You can connect microphones or instruments directly to the inputs, use line outputs from a mixing console, or connect it to Shure's AuxPander. In short, no matter what the output device, you can probably plug it into the TransMixer.

##### Key Features

- Built-in audio limiter
- Front mounted antenna
- Two mic/line input channels for mix control
- 1/2 Rack space

##### Operating Controls

- Input level control
- Frequency select

##### LED Indicators

- Tri-color input level
- Frequency

##### Inputs

- Two Mic/line, XLR-1/4 in. combo input channels

##### Outputs

- Two XLR split outputs

#### P2R Hybrid Bodypack Receiver

The P2R Receiver is the world's first bodypack receiver to function as a wired receiver, a wireless receiver, or both at the same time. This and other unique features, along with excellent sound quality, make the P2R an exceptional value.

##### Key Features

- Can operate as a wired or wireless bodypack, or both simultaneously
- Frequency locator
- Built-in headphone limiter
- Integrated cable management
- High-impact plastic chassis
- 1/4" Line input jack with high/low gain switch

##### Operating Controls

- Volume knob
- Frequency select

##### LED Indicators

- Power
- RF reception
- Frequency
- Limiter
- Low Battery

#### E2 Dynamic Driver Earphones

Single high energy drivers deliver full range sound and isolation from outside noise.

##### Specifications

- Transducer Type: dynamic high energy
- Sensitivity (at 1 kHz): 105 dB SPL/mW
- Impedance (at 1 kHz) 16 ohms
- Output Connector: Gold-plated stereo, 3.5 mm (1/8-inch) phone plug
- Cable Length: 1.57 m (62 inches)
