Hillside Community Church

Alta Loma, CA

Led by Pastor Dave Burns, over 30 years ago Hillside Community Church began with 51 people and a mission to reach un-churched people of Rancho Cucamonga and help them become devoted followers of Christ. With a love for their community and a desire to serve and reach out in very practical ways, the church has taken big steps to serve their community.

In 2003 Hillside Community Church and CCI Solutions began discussing plans for a new 1800 seat Worship Center. "The church expressed a desire to not be flashy, but wanted the stage and lighting to look great and have everything look and sound very well done," says Mark Pearson, Senior Systems Consultant. "The idea was beautiful simplicity, that everything could be done well but still be done with volunteers."

The Worship Center boasts excellence and flexibility in the systems, which can all be removed or secured when the room converts to a basketball venue. Centered around three Christie HD projectors and Stewart projection screens, the HD video system and lighting combine to create an attractive worship setting with the ability to create different set designs as desired. The JBL based audio system provides even coverage throughout the room and the entire sound booth is able to roll out of the room as needed.

Hillside Community Church's campus includes a 1,800 seat Worship Center, three 250 seat Children's venues, and various other meeting spaces.

Quotes

"The team at CCI Solutions is thorough and professional. The amount of detail given to every aspect of our project has been excellent. We are very proud of our sound, video and lighting systems and our team looks forward to using them each week. The CCI Solutions team helped our ministry team focus on what matters most to us - people."

"CCI Solutions has gone above and beyond the call of duty. They provided state of the art systems that met our ministry needs and have trained and guided our volunteers to utilize some incredible tools for ministry. Our staff is very appreciative!"

Dr. David Burns
Senior Pastor
