

Trade Up, Get Paid Up!

Sure, the Allen & Heath SQ is better sounding and has a more powerful modern processor. And yes, it has won a pile of awards and accolades from just about every pro audio publication out there. But we think we can add one more reason to make the jump up from your aging mixer. **Extra cash.** What could be better than that?

Purchase an SQ-5, SQ-6, or SQ-7 from an authorized Allen & Heath dealer during the program period and you are eligible to trade-in your old Behringer® X32, PreSonus® StudioLive™ 32 Series III, Yamaha® TF5, or Midas® M32 mixer and earn cash back!

Trade Up program applies to SQ mixer purchases between October 1, 2019 through November 30, 2019 from authorized Allen & Heath dealer in the United States and taking delivery with the United States. All purchased items must be original new "A" stock. Limited to one trade per SQ serial number. Trade-in product must be in functional condition, if you have any questions about the acceptability of your console please call 1.800.431.2609 (options 2,1,1) and discuss your trade-in with one of our support staff.

IMPORTANT: You'll need 3 things to submit your request for trade-in. A digital copy (or image) of your original purchase receipt, a digital copy (or image) the UPC code from your original packaging, and the serial number of your SQ mixer. Have these 3 things handy prior to going online and submitting your request for trade-in. Once your request for a trade-in has been approved we will ship you a box and return label for your trade-in. Once your trade-in has been received by us and acknowledge as valid, please allow 3 to 4 weeks for your check to arrive.
